General advice

To protect your child and our staff from infectious illnesses, the school follows government and NHS guidance on when pupils should be kept off school and when they shouldn't.

It's usually fine to send your child to school if they have a mild respiratory illness. This includes general cold symptoms – a minor cough, runny nose or sore throat. However, a child should not be sent to school if they have a temperature of **38°C or above**.

If you do keep your child at home, it's important to contact the school on the first day they are absent to let us know that your child won't be in and why.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

Reminders:

- School begins promptly at: Nursery AM-8:30-11:30, Nursery PM-12:30-3:30, Nursery all day 8:30-3:30, KS1-8:50-3:20, KS2-8:45-3:25. **Please ensure your child is on time for school.**
